- The YOM program extends only to:
  - 1969 and older year model auto, motorcycle or trailer vehicles.
  - 1972 and older year model commercial vehicles.
- Two YOM plates are required for qualifying auto and commercial vehicles.  
**NOTE:** In 1945 and 1946, the department issued only one plate for all types of vehicles, therefore only one plate is required for 1945 and 1946 vehicles.
- The YOM plate number cannot conflict with any configuration currently in use.

(e.g. a 1965 auto must have a 1963 auto base plate with a 1965 year sticker.)
- 1970 to 1972 year model commercial vehicles must utilize 6 character blue base plates with yellow characters. A 1963 base plate with a 1970/1971/1972 year sticker is **not** acceptable for YOM registration.
